DETAILED ACTION

Response

1. The Applicant amended independent claim 271 in the response filed 1/4/11, hence the rejection of record is withdrawn and a new rejection established in the subsequent paragraphs.

Claim Rejections - 35 USC 102

2. Claims 271 and 332-340 are rejected under 35 U.S.C. 102(b) as being anticipated by U.S. Patent No. 5,109,844 to de Juan, Jr. et al., hereafter de Juan (cited previously).

De Juan discloses the instant invention, a device comprising an electrode array (micro-stimulator - figure 5 - 50) with insulation (figures 1, 3 - 35), voids and a plurality of electrodes (figure 3 - 24, 31) recessed and exposed in more than one dimension, the x and y planes, to stimulate retinal cells (figures 1, 2, 3, 5; column 4, lines 25-27; column 5, lines 63-68).

The Applicant's arguments filed 1/4/11 have been fully considered. The Applicant's arguments relate to limitations that have been deleted from the independent claim, hence making the arguments moot. It appears no further comment is needed.

Statutory Basis

3. The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.

Conclusion

Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the date of this final action.
